The descent may be made in the same way, or better, by the West or Long Pasture. If the latter route is chosen, retrace the above-mentioned path from the Observatory to the pasture. At the seat, just below the edge of the woods, turn sharply to the R. (w.) along the edge of the woods and go through the open growth into the col S. of the Observatory summit. Cross over the col and descend into the top of Long Pasture. A large Split boulder near the top affords an excellent view. From here it will be seen that Long Pasture is rapidly growing up with alders, being completely choked by them about a third of the way down. They are best avoided by going through the tongue of woods which juts into the pasture from the N. At this point. Having passed through the woods and into the lower section of the pasture, keep on down, bearing slightly to the S., until the grass-grown bed of an...

### Reviews

*This sort of publication is every thing and helped me seeking ahead of time plus more. I am quite late in start reading this one, but better then never. I found out this pdf from my dad and i recommended this pdf to learn.*

-- Alex Jenkins

*This ebook is indeed gripping and fascinating. It is definitely simplistic but excitement from the 50 % of your book. You wont sense monotony at at any time of your own time (that's what catalogs are for relating to should you check with me).*

-- Mr. David Stanton Jr.
