Tyndale House Publishers, United States, 2017. Paperback. Condition: New. Language: Spanish . Brand New Book. La amargura es el pecado mas facil de justificar y el mas dificil de diagnosticar, porque es razonable disculparlo ante los hombres y ante Dios mismo. A la vez, es uno de los pecados mas comunes, peligrosos y perjudiciales, y es el mas contagioso entre nosotros los creyentes y los no creyentes. En este libro La amargura, el doctor Miron escudrina el tema de la amargura entre los seres humanos, de tal forma que nos hace reflexionar acerca del impacto que la amargura puede tener en nuestra vida espiritual y fisica, no solo como un concepto de personalidad, sino realmente reconocer que en verdad es un pecado ante los ojos de Dios. Consecuentemente, el autor nos invita a autoexaminarnos y liberarnos de este pecado por medio del perdon y la gracia que unicamente Dios puede ofrecernos. Bitterness is the easiest sin to justify and the most difficult to diagnose, because it is reasonable to excuse it before men and before God Himself. At the same time, it is one of the most common, dangerous, and harmful sins, and--as this book describes in depth--it is the most contagious among believers and nonbelievers. In this book La amargura [Bitterness], Dr. Miron analyzes the problem of bitterness, in order to reflect on the impact that bitterness may have on our spiritual and physical lives, not only as a concept of personality, but as sin before the eyes of God. Consequently, Miron invites us to examine ourselves and find freedom from this sin through the forgiveness and grace that only God can offer.
