Special Interest Model Books, United Kingdom, 2012. Paperback. Condition: New. Revised, Updated. Language: English . Brand New Book. This second edition of Workshop Electrics has been completely revised and updated to bring it in line with the latest advances in technology and to fully conform with BS7671 (17th edition of wiring regulations). A quarter of the illustrations are also new. The book deals with electricity in the workshop and includes everything from fitting a 13amp plug to wiring up a new workshop building. Safety, a key issue is covered as well as inspection and testing. Starting with the planning necessary before electrical installation commences, the book then deals with the fusing, equipment, lighting, fixtures, fittings and wiring for 230-volt mains electricity. Further chapters cover outside workshops, three-phase supplies and a range of low-voltage equipment. Finally there is a glossary, a list of useful addresses and an index.
