Merely no phrases to spell out. I actually have read through and i am certain that i will gonna study once again again later on. You wont truly feel monotony at at any time of your time (that's what catalogues are for about should you check with me).

When Genesis goes on a blind internet date, she just wants to get over her ex-boyfriend Naz. She just wants someone to like her again. But when Genesis wakes up the morning after the date, she can t remember a thing. She doesn t know where she is, or how she got there. And she can hardly move because she is strapped into some kind of body armour . Before she has time to figure it out, she receives an order through an earpiece stuck in her ear. And then a voice sounds in her head: You have been chosen for an assignment . The vest you re wearing is packed with high explosives. And with one mobile call we can detonate it. To her horror Genesis has become an agent of mass destruction, a walking weapon in the hands of a terrorist cell.
