Taunton Press, United States, 2011. General merchandise. Condition: New. Language: English . Brand New Book. This hanging tool cabinet covers only about 12 sq. ft. of wall, but can hold more than 300 tools. It does this through judicious use of space, holding tools on the inside surfaces of the main doors and on both sides of interior hinged panels, drawers and cubbyholes throughout, and storage space behind the cabinet. The carcass is a simple box connected with finger joints. The central gallery and drawers give the cabinet rigidity. The design could be adapted easily to hold smaller power tools. SKILL LEVEL: Intermediate FINISHED SIZE: 13-1/4 in. deep by 32 in. wide by 48 in. tall *PLAN INCLUDES: detailed cutlist full-size and scale drawings component templates.
