By A N Irvano

A.N.Ivano, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Have you ever felt the body you inhabit does more harm than good? Have you ever wished you could start all over again and get a new identity, gender, and meaning to life? Full of passion, wisdom, and wit, Lone Wolf Skinny Dipping transforms modern literature. After becoming tired of being imposed on by strangers, Ashna wishes for a world opposite the one she lives in. She gets her wish, also becomes a man, and rides a gift horse along the alluring coast of California. Whimsical tricks, physics at play, and elemental oddities exist next to illogically inaccurate scenes and obvious fallacies in this world. Lone Wolf Skinny Dipping seeks to allow Ashna to antagonize the values and desires she and the world have been imposing on others as she both discovers and withdraws from society.
