## MAKE LEADERSHIP COUNT (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Not everyone can be a leader, and that's OK. But for those who are capable of leading, either they're called to leadership by something greater than themselves, or they have an unquenchable passion to lead their teams, schools, and companies forward. Dr. Anthony J. Perkins has spent almost twenty-five years in educational leadership. In *Make Leadership COUNT*, he identifies five core traits that, when applied, help you become a successful and respected leader: the courage to lead, outside-the-box thinking, humility and a willingness to serve, the ability to nip negative team behavior in the bud, and a desire to teach and inspire others. These are the traits that make a leader count and inspire team members to give their best and most creative efforts. Perkins's solid, actionable advice will help you improve your leadership skills and attain your team goals. Originally designed for use in educational settings, *Make Leadership COUNT* is equally applicable to the corporate world. Whether you're an experienced leader or just starting out, Perkins can help you better understand your role and responsibilities.
