During the year 1895-6, in connection with a course in Economic History in Radcliffe College, I transcribed a number of Court Rolls of the manor of Moulton, Norfolk, belonging to the Library of Harvard University. In the summer of 1896 a search in England for other material relating to Moulton failed to bring to light further important documents concerning that manor; but a comparatively rich series of manorial documents was found to be in the possession of the steward of the adjoining manor of Forncett. Through the courtesy of the officials of the Public Record Office, permission was obtained to consult the rolls there. Mr Cole has since presented these rolls to the Cambridge University Library, where they now are. Some of the results of this study of the Forncett records were printed in a paper on the Decay of Villeinage in East Anglia (Transactions of the Royal Historical Society, N. S. XIV., 1900), part of which is reprinted with some additions and alterations on pages 88-97 of this book. A fellowship held from the Association of Collegiate Alumnae during the year 1902-3 made possible a further examination of the Forncett MSS. and the completion of this volume.
