Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Winning Weekend Warrior aspires to enhance the participation, enjoyment, and success of the reader in all sports. It focuses on strategy, tactics and the mental game. As it turns out, many of the strategies, tactics and techniques for the psychology of sports are similar regardless of the sport. In fact, many of these same techniques are useful in business and other aspects of life as well. This book is valuable for several reasons. You may be a scratch golfer or a tennis star but occasionally find yourself in a basketball or baseball game. Even if your own days of playing hockey, tackle football and soccer are over, you might volunteer to coach these sports for kids, neighbors, or grandkids. In such cases, this book will help you translate the skills you already have in your main sports into these other domains. As you may have noticed, this is not always...
