Reviews

This book will be worth getting. Better then never, though i am quite late in start reading this one. Its been written in an extremely basic way which is only right after i finished reading this book through which actually altered me, alter the way i believe.

(Mr. Enrico Lesch)

CHARLIE AND MINNIE MEET THE MARTIAN.

Everhope Publishing. ., 2006. Hardcover. Book Condition: New. New 10 x 8.25 Inches glossy pictorial hardcover. Color plates. ---- Free online tracking. ----SUMMARY: "Charlie and Minnie meet the Martian" tells the tale of two gators (Charlie and Minnie) who are simply enjoying an afternoon swimming in the bayou. The pair are going about their normal business when they are interrupted by loud noises and an object they have never before encountered. Next Charlie and Minnie encounter "a strange sort of being." "The gators could see from where they stood, this creature wasn't from their neighborhood." These strangers quickly become friends and help one another. Commonwealth, the mysterious visitor, is in need of assistance and he leaves a parting gift that will forever change Charlie and Minnie's lives and help them to better understand all living creatures. While simple in its tale, this book teaches children and adults about understanding differences and listening to others points of views no matter what stands in their way. This is a story about reaching out and helping mankind and others in need, becoming a team and working together for the good of all humanity. This heartwarming story will quickly become a favorite. The vivid artwork really makes this children's book a winner. Michael Thoenes created the colorful pictures. The intricate illustrations on each page keep the reader's imagination alive and full of eagerness to see what happens next.
