Read Books, United Kingdom, 2005. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.SOMETHING ABOUT GUNS amp SHOOTING By PURPLE HEATHER This commendable shooting title was first published in London in 1891, and is now a highly prized item in the libraries of many shooting men. It is always much sought after and has become increasingly expensive in its first edition. Read Country Books has now re-published it in its entirety, as part of their History of Shooting series, using the original text and retaining the many illustrated gun, cartridge, and equipment makers advertisements. Purple Heather learnt the rudiments of shooting in the days when breech-loaders were unknown and hammerless ejectors unthought of. Each chapter contains a large fund of useful information to votaries of the gun, and the whole is written in an attractive style. This new edition has been produced to the highest standards in an attractive soft cover format. Many of the earliest sporting books, particularly those dating back to the 1800s,...
