VP Publications an Imprint of Rj Parker Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Known as the Vampire Rapist or Strangler Bill for his distinctive modus operandi, Wayne Boden would rape, strangle and bite the breasts of his victims. His murdering rampage would continue in two cities over three years; he was only caught by superior evidence gathering and the help of an orthodontist. This book asks the question of How do we really know our boyfriend or lover when we don t want to ask the questions, not only because we don t want to know the answers for what it will tell us about them, but because of what it tells us about ourselves? True Crime Author Alan R. Warren takes you through the details of the case including the dental impressions used in court to convict Boden, a first in Canadian history, as well as Boden s escape from a maximum-security prison.
