

Residential Network Cabling (Paperback)

By BICSI

McGraw-Hill Education - Europe, United States, 2002. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is the definitive training guide to wiring the home for networked services. The proven training methods and procedures you need to plan, sell, bid on, install, and upgrade these popular automated systems. Whole-home wiring, also known as structured wiring has rapidly become a must-have feature in new construction and is one of the most frequently cited reasons for remodeling. This industry explosion has created a lucrative opportunity for cable installers, electricians, IT managers, and telecom equipment manufacturers to expand into the residential arena. Recognizing an informational need, McGraw-Hill and BICSI have joined forces to provide the most reliable residential network cabling manual available. Developed for BICSI's internationally respected curriculum for the Registered Residential Installers, this resource provides all the information and step-by-step training advice needed to master residential network cabling and thoroughly covers: new installation; upgrades; integration for add-ons; and, much more. A cabling guide written by over 60 renowned technical experts, fully compliant with NEC, FCC, ANSI/TIA/EIA, CEBus, Firewire, and Bluetooth standards, Residential Network Cabling provides the depth and breadth of coverage you would expect from the...
