Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Presidential Address, the Insane in Canada Although, in every country, men and women and the medical profession have been ready to promote the interests of the insane, the name of Dorothea L. Dix stands foremost among all. Her efforts in improving the condition of the insane were not confined to her native State of Massachusetts, but extended to other States and distant lands. Her life was devoted to their interests, and it is stated that no less than thirty asylums owe their establishment directly or indirectly to her persistent efforts. The first Manitoba Asylum, now located at Selkirk, was originally established in 1871, at Lower Fort Garry, in connection with the penitentiary. One of the old stone storehouses of the Hudson Bay Company, formerly used for the confinement of Lepine, the notorious Louis Riel's adjutant-general, was fitted up for the purpose. The second asylum, situated at Brandon, began work in 1891. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
