Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.As a blogger writing posts on three websites in response to submitted GI Bill questions, I m continually both surprised and frustrated at the amount of mis-information there is floating around out there and at the number of veterans who end up mismanaging and squandering their GI Bill benefits - ending up with nothing to show for their hard-earned benefit. I constantly see the same, or variations of the same questions, asked over and over again, so my intent with this guide is three-fold: Put some of the mis-information to rest. Provide answers to frequently asked questions. Provide some ways veterans can use to shorten their time to a degree. Highlighting the savvy tactics veterans can use to maximize their GI Bill benefits by starting the tactic out with Secret #. After exhaustive research over the last three years, I finally have a finished comprehensive guide that shows you the GI Bill facts and ways you can use to maximize the effectiveness of using your GI Bill.
