Barron s Educational Series, United States, 1996. Hardback. Condition: New. Shelley Dieterichs (illustrator). Language: English . Brand New Book. Twenty-seven humorous vignettes are cleverly captioned illustrations designed to help parents and kids cope with the challenges of toilet training. Toddlers will laugh when they see Mark picking out a potty at the toy store. And back at home, Toby didn t quite make it to the potty this time. He ll have better luck next time. Jordon waits till the last minute too-but hooray! We see him in the bathroom, and we know he made it on time. Alison is proud because she uses a grown-up toilet, and Amanda reads a picture book when she sits on her potty. Neither parents nor children need to take potty training too seriously, because sooner or later, everything works out just fine. That s the message at the heart of Bob McGrath s cheerful book- and boys and girls will enjoy seeing their own potty experiences repeated on these pages.
