Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Alexander Heriot Mackonochie: A Memoir Beyond the natural wish to perpetuate the remembrance of a benefactor, there exists the, also natural, wish to learn in such detail as may be available, how and by what methods one who had lived to such good effect managed a business confessedly so difficult. In part and in degree many of the trials which befel him, befel others, especially among the clergy. There are points on the way to the common goal and prize of our high calling, at which all the paths of individual experience touch and overlap. At these points at least he will have some thing to teach us. In spite of discouraging criticism, biographies continue to attract innumerable readers, who find in them information concerning the things which, after all, are best worth knowing, and most serviceable. They are studies in the conduct of life, and offer us in the field of spiritual economics all the help of a care fully planned and successfully executed series of experi ments.
