HINDU TALES FROM THE SANSKRIT

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Hindu Tales From The Sanskrit Translated by S. M. Mitra INTRODUCTION. Thanks to Mr. S. M. Mitra, the well-known Hindu psychologist and politician, who has done so much to draw more closely together the land of his birth and that of his adoption, I am able to bring within reach of English children a number of typical Hindu Tales, translated by him from the Sanskrit, some of them culled from the ancient classics of India, others from widely separated sources. The latter have hitherto been quite inaccessible to western students, as they are not yet embodied in literature, but have been transmitted orally from generation to generation for many centuries. These tales are not only of a kind to enchain the attention of children. They also illustrate well the close affinity between the two chief branches of the great Aryan race, and are of considerable ethical value, reflecting, as they do, the philosophy of self-realisation which lies at the root of Hindu culture. They have been used from time immemorial by the best teachers of India as a means of building up the personalities of the young and maintaining the efficiency of the adult. They serve in fact as text-books of the unique system of Mind-Training which has been in use in India from remote Vedic times, the root principle of which is as simple as it is effective. Hindu children become familiar at their mothers knees with these stories, and are trained to answer questions on them, subtly chosen to suit their ages and call into action their mental faculties. Appealing to them as an amusing game, in which they vie with each other in trying...
