TOP 10 AMERICAN POLITICAL BOOKS FOR 2018: CLIFFSNOTES BOOKS FULL OF BIG TIME SOLUTIONS FOR IMPORTANT DOMESTIC ISSUES (PAPERBACK)

Lets Go Publish!, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Prolific author Brian Kelly produces so many books in a given year even his family cannot explain how he does it. His most popular books throughout the years, such as Great Moments in Alabama Football, have focused primarily on sports themes, but that is not his original claim to fame. Kelly's initial prior experience was problem solving in information technology and later political diagnosis and remedies. His U.S. domestic policy recommendations are second to none. Anyone in the patriotic or conservative world who finds themselves flirting with finding an innovative solution to the domestic ills that have been eluding supposed experts for far too long will find their needs more than satisfied by one of Kelly's refreshing works. For open minded liberals or progressives, many of his answers can be hung on either side of the aisle. Kelly's solutions are deceptively simple and occasionally counterintuitive at first glance. One's first question may be, Can something so simple actually solve the problem? After reading further and understanding his proposals, Kelly aspires to allow a new world of thought to unfold before the eyes and instill the positive belief that many of the nation's seemingly intractable maladies are indeed curable. Historically, great thinkers and influential problem solvers possess an uncanny ability to translate otherwise arduous complex notions into language that any audience can readily understand. Kelly prides himself on cutting through argument, debate and doubt, and offers solutions that all can process and appreciate. Brian's plain talk solutions are authentic, cogent, clear, and palpable, quite unlike rocket science. He reveals a logical path for readers that culminate in Of course! rather than What?! Brian has been quietly solving...
