

Methods and Principles of Teaching the Principles and Practice of Nursing (Classic Reprint) (Paperback)

By Bertha Harmer

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Methods and Principles of Teaching the Principles and Practice of Nursing This Opportunity arises chiefly through the necessity of teaching and learning by practical experience in the natural setting of the wards and out-patient department clinics. Particular emphasis is, therefore, given to this phase of the Course. The text is divided into three main sections: The first presents the aims and content of the course, its method of selection and organization into topics, its proper sequence with special emphasis upon the importance and method of correlating theory and practice. The second section presents methods of teaching. The application of the laws of learning is developed by the use of many practical suggestions and illustrations, by numerous projects outlined and others fully described. An example of a method of teaching a lesson in practical nursing, together with a suggestive thought-provoking outline of a nursing procedure, is given. The third section deals with teaching and learning through practical experience. The content of this phase of the course, its selection and organization into topics, its sequence, correlation of theory and...
