Monadnock Valley Press, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Henry David Thoreau, both naturalist and transcendentalist, always perceived the possibility of living a better life - some employment on your higher ground, which he called your upland farm. His writings encourage you to live deliberately, to pursue a path you can walk with love and reverence, to advance confidently in the direction of your dreams. Although Thoreau is often thought of as a mountain man or noble savage, in fact he favored a blending of civilization and wildness - and he still has much to teach us about the balance between work and leisure, society and solitude, nature and humanity, reflection and action, theory and practice. In *Walden*, Thoreau said that to be a philosopher is so to love wisdom as to live according to its dictates. *The Upland Farm* explores Thoreau's timeless views on ethics and happiness for modern readers in an inspiring yet practical way.
