By Chua, Amy

Book Condition: New. Publisher/Verlag: Bloomsbury Trade | Erweiterte Taschenbuchausgabe: Nachwort der Autorin und Brief der Tochter, in dem sie ihre Mutter verteidigt | A lot of people wonder how Chinese parents raise such stereotypically successful kids. They wonder what Chinese parents do to produce so many math whizzes and music prodigies, what it's like inside the family, and whether they could do it too. Well, I can tell them, because I've done it. Amy Chua's daughters, Sophia and Louisa (Lulu) were polite, interesting and helpful, they were two years ahead of their classmates in maths and had exceptional musical abilities. But Sophia and Lulu were never allowed to attend a sleepover, be in a school play, choose their own extracurricular activities, get any grade less than an A, and not be the No.1 student in every subject (except gym and drama). And they had to practice their instruments for hours every day, as well as in school breaks and on family holidays. The Chinese-parenting model certainly seemed to produce results. But what happens when you do not tolerate disobedience and are confronted by a screaming child who would sooner freeze outside in the cold than be forced to play the piano?...
