The military wants to hire him, Charlie Chet Dushet, to fix and design new weapons. The best part is, after building them, he can test the equipment by looking for buried treasure. Another dream come true is the return of his high school friends, Rusty and Fuzz. The bond these three shared as kids now morphs as they form a unique team, solving old legends and new mysteries. But their good times--finding a cave full of treasure, testing a small fire-breathing weapon--are dampened by a phone call from Rusty's past. Chet and his team are drawn into the dark underworld of pirates, kidnapping, drug cartels, and sex slaves. With their unique skills, will they be able to rescue everyone? And if they do, what happens when they return home?.
