JILL AND JACK

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Jillian Blackburn fantasizes about killing her baby-man husband and escaping to Cuba, stat! As the mother of 4 small children and wife of a former RB star, Jill struggles to balance her home life with achieving her dreams. With a depressed, consistently broke and broken husband, she grows angry, bitter, and cold towards him. Jill believes in him, but isn't sure they won't destroy one another. This is the first installment of a new series, JILL AND JACK, which introduces you to the first Layne sister, Jillian. She and her three sisters are successful, sexy, super thick, and spicy. Her husband, Jackson Blackburn aka BlackJack, went from being a million dollar man to a bum bastard. It's been four years since he's had a job and he isn't interested in getting one, unless it's a singing gig. He feels lost, like he's less than a man, and a has-been. Jealous of his wife, Jack focuses only on his music, and disregards her feelings, calling her fat names. JILL AND JACK takes you through the lies, cheating, rage, and redemption of the characters and their relationship. They break up, they make up, they fake it for the kids, but will they make it? JILL AND JACK tells the story of many couples, whether married or not. The main character is in the position of the main bread winner in a relationship, which is where many women are today. JILL AND JACK explores the turbulent ride many couples endure, during financial problems.
