CONTRACT LAW IN AMERICA: A SOCIAL AND ECONOMIC CASE STUDY (PAPERBACK)

[DOWNLOAD PDF](#)

Quid Pro, LLC, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A classic study of the social and economic realities of trade law, told through case studies and rich historical analysis. Comparing contract cases and legislation over three discrete historical periods, Lawrence Friedman shows that social context matters, that law is more flexible and adaptive than traditional doctrinal studies would suggest, and that the framing of contract law can use a fresh reexamination in light of the historical realities he exposes. A recognized study in law society, this volume previously hid out as a rare book or was completely unavailable. Now readily accessible worldwide, it also features a new preface by the author as well as a new, analytical foreword by Stewart Macaulay, a senior professor of law at the University of Wisconsin. As Macaulay notes, Friedman s Contract Law in America still challenges those who research, write and teach in the field of contracts. His findings and arguments still call for a serious response today. Has contracts doctrine become the law of leftovers ? In any event, Macaulay sums up, Friedman combines scholarship that takes him into dusty archives with insight into the broader effect of both public culture and legal culture. I am continually and pleasantly surprised when I read him. As with all the quality contributions to Quid Pro s Classics of Law Society Series, this book features modern formatting, legible tables, and hyperaccurate proofreading from the original text. Moreover, it embeds page numbers from the first edition (in both print and digital formats), for continuity of references. Praise for this anniversary edition of the book abounds: Contract Law in America is one of the most important works in the entire scholarly literature on American legal history. Friedman...
