EVOLUTIONARY AGENTS

Ronin Publishing. Paperback. Book Condition: new. BRAND NEW, Evolutionary Agents, Timothy Leary, Leary likens human society to that of insect hives and shows how certain evolutionary agents (mutants) are upsetting the hive and causing it to evolve. Eventually we will become the aliens. This book describes the struggle between the forces moving into the future and those attempting to stop change. While most people associate Leary solely with LSD, this fascinating discourse has little mention of drugs.

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
