Bright Sky Press, United States, 2009. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Using a metaphor based on the story of Columbus and his three ships, this extended parable outlines the three possible directions every person s life may take: the sinking ship, the cruise ship, or the battleship - respectively symbolising personal survival, unbridled enjoyment, and meaningful influence. Acknowledging that many people choose all three approaches at some point, this meditation focuses on avoiding smaller ambitions and striving for the quality and significance possible within the battleship . Providing specific and practical guidelines for discovering one s combined ability and passion, this inspirational handbook is beneficial for both young and older adults.
