## Children's Literature: A Very Short Introduction

By Kimberley Reynolds

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Children's Literature: A Very Short Introduction, Kimberley Reynolds, Children's literature takes many forms - works adapted for children in antiquity, picture books and pop-ups - and now includes the latest online games and eBooks. This vast and amorphous subject is both intimately related to other areas of literary and cultural investigation but also has its own set of concerns, issues and challenges. From familiar authors including Beatrix Potter and Roald Dahl, classic books such as Pooh, Alice in Wonderland, and The Secret Garden, to modern works including Harry Potter and the Twilight series, this Very Short Introduction provides an overview of the history of children's literature as it has developed in English, whilst at the same time introducing key debates, developments, and figures in the field. Raising questions about what shape the future of literature for children should take, and exploring the crossover with adult fiction, Reynolds shows that writing for children - whether on page or screen - has participated in shaping and directing ideas about culture, society and childhood. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area....
