Yosemite Conservancy, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. On June 30, 1864, amidst the Civil War, President Abraham Lincoln signed the Yosemite Grant Act to protect Yosemite Valley and Mariposa Grove of Giant Sequoias. This act that set aside the first public parkland for future generations was a legacy for our nation and an inspiration to the world. To honor the 150th anniversary of this milestone, a call went out inviting the public to celebrate in prose and poetry the national park they love. The 150 pieces in this book were selected from hundreds of submissions from people who have visited, lived in, or worked in Yosemite National Park. These collected reflections feature, among other things, treks up Half Dome, escapades at The Ahwahnee, revels at the long-gone firefall, and, yes, encounters with those bears; and range from the hilarious to the historical, the enlightening to the uplifting. Inspiring Generations will encourage many journeys to the park filled with family, friends, and the stuff memories are made of.
