Sarabande Books, Canada, 2011. Paperback. Condition: New. Language: English . Brand New Book. Lia Purpura s essays are full of joy in the act of intense observation; they re also deliciously subversive and alert to the ways language gets locked and loaded by culture. These elegant, conversational excursions refuse to let a reader slide over anything, from the tiniest shards of beach glass to barren big-box wastelands. They detonate distractedness, superficiality, artificiality. In the process, Purpura inhabits many stances: metaphysician and biologist, sensualist and witness--all in service of illuminating that which Virginia Woolf called moments of being --previously unworded but palpably felt states of existence and knowing. Rough Likeness finds worlds in the minute, and crafts monuments to beauty and strangeness.
