Reviews

This publication could be worth a read through, and far better than other. This is certainly for all those who statte there was not a worth reading through. You may like just how the author compose this publication.

(Dr. Kayley Kovacek PhD)

TWO BOYS

Owl of Athene Press, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. C.K., a man on death row for killing his child lover, and Johnnie, now a psychiatrist, relive their childhood friendship. Both were victims of a child pornography cult that operated out of their daycare center in 1983. They are single children of two very different sets of parents and just happen, in mid-childhood, to become neighbors in rural Indiana. One boy relishes some of the daycare memories; the other has repressed everything, but his occasional flashbacks unsettle his best friend. A third boy, an interloper who is still involved with the perpetrators, instills rivalry among the two, but this anguish binds C.K. and Johnnie even further. The voluptuous Cross-Eyed Ladonna and an older bi-sexual neighbor create confusion and guilt as the two boys grapple with themselves as sexual beings. Love, laughter, perceptiveness, and wanting to do the right thing entwine the two boys in deepening friendship.
