Xlibris, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Living with dyslexia has been an uphill struggle, from the day I started school until the day I left to go to work and even after going to work, where I found that there where bullies in the workplace where they thought it was amusing that people could not spell. Join me on my journey as I recount being a child with dyslexia whilst living in poverty and trying to pick up odd jobs to help provide for my mother from the age of twelve. Whilst writing this book, I have left most of the spelling unchecked in the hopes it would give people an insight into the toils of living with dyslexia and a glimpse inside the way a dyslexic child sees the world. I ask you to read me, if you can.
