Forgotten Books, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from La Philosophie de Taine: Avec une Lettre Et des Notes Inedites de Taine On le voit, si nous avons bien compris la pensee de M. Taine, ce serait lui faire tort que de considerer ses es sais de critique litteraire, d esthetique et d histoire et jusqu a ses ouvrages en apparence plus exoteriques, ses Voyages et son Graindorge, comme des oeuvres indepen dantes et completes, ayant en elles-memes leur raison d e tre et leur objet propre. Non, ce sont les episodes succes sifs d une meme pensee qui se deveioppe et s entoure a chaque fois d un nouveau cortege de preuves. Ce qui fait l unite de l oeuvre de M. Taine, c est l obligation qu il s est imposee d edifier sur des fondements scientifiques eprou ves une psychologie generale nouvelle. Mais, qu il l ait voulu ou non, comme c est sous l empire d une idee metaphysi que determinee, a savoir une conception speciale de la na ture et de la science, qu il a entrepris cette oeuvre, et comme cette psychologie aboutit a certaines conclusions metaphy siques, on peut dire que la metaphysique est au moins l objet lointain poursuivi par M. Taine, si meme elle n est pas l idee directrice qui preside a ses recherches. Et c est de sa metaphysique qu il faut partir pour bien compren dre son oeuvre et en bien saisir l unite.
