### Reviews

*This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Bolinda Audio, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. From the New York Times and internationally bestselling author of *The Secret Keeper* and *The Distant Hours*, an intricately plotted, spellbinding new novel of heartstopping suspense and uncovered secrets. Living on her family's gorgeous lakeside estate in Cornwall, England, Alice Edevane is a bright, clever, inquisitive, innocent, and precociously talented fourteen-year-old who loves to write stories. But the mysteries she pens are no match for the one her family is about to endure. One midsummer's eve, after a beautiful party drawing hundreds of guests to the estate has ended, the Edevanes discover that their youngest son, Theo, has vanished without a trace. What follows is a tragedy that tears the family apart in ways they never imagined, leaving their estate as empty as their broken hearts. Nearly sixty years later, having enjoyed a long, successful career as an author, Alice is now eighty years old and living in London. Theo's case has never been solved, though Alice still harbours a suspicion as to the culprit. Miles away, Sadie Sparrow, a young detective in the London police force, is staying at her grandfather's house in Cornwall. While out walking one day, she stumbles upon the old estate now crumbling and covered with vines, clearly abandoned long ago. Her curiosity is sparked, setting off a series of events that will bring her and Alice together and reveal shocking truths about a past long gone yet more present than ever. A lush, atmospheric tale of intertwined destinies, this latest novel from a masterful storyteller is spellbinding and satisfying.
