In an account of the author s involuntary and highly entertaining encounters with the wildlife in her backyard she lets the reader in on the funny characters of the wild. Comical situations dominate the stories Bea W Meyer tells about squirrels, skunks, raccoons, otters, cougars, and bears coming for a visit or a quick walk-through of her backyard in a rural area of the Canadian West Coast. Living in bear country to her means a privilege. Her funniest encounters with furry and fuzzy critters of the wild are being told in this book.
