By Michael Stahl

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Pilgrimage meets a deep need for individuals seeking to understand pain and regain control of their healing process. By distilling theoretical knowledge and applied experience, Michael Stahl presents an accessible framework that will help individuals navigate their own journey of pain, healing and recovery. Using the framework presented in this book can help individuals: - deepen their understanding of pain and its role in the healing process - improve their body-awareness - develop self-care tools to help engage with their pain and facilitate their own healing - create the opportunity for deep healing and transformative growth. Editorial Reviews and Praise for Pilgrimage For the millions suffering from chronic pain, the search for effective treatment options seems like a minefield. There are so many different opinions, so many different types of providers, so many quick-fix promises .and yet it all still ends up confusing, inaccessible, or out-of-reach for all involved. Frustrated patients and providers desperately need a framework to understand and navigate this complex experience of healing from both sides. I am a board-certified anesthesiologist and pain physician, having trained and...

Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Talia Cormier**

This type of pdf is every little thing and helped me searching forward and more. It can be written in easy words and phrases and never hard to understand. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about should you request me).
