Wild Foraging: (FREE Bonus Included) 40 Things You Can Find In The Forest And Forage For Later There are few things more remarkable than having the ability to take care of you and your family with nothing more than what you find out in the wilderness. There is a great skill to knowing which plants you can eat, and there is an incredible benefit to following through with that. But, there is also a scary side to foraging. How do you know what is good to eat? How do you take care of it once you do forage it? What s the next step? And that s where this book comes in. In it, you are going to learn everything you need to know to forage your own wild plants, and you are going to discover a whole new world of self-sufficiency that will change your life. Learn how to forage for wild plants Learn how to take care of the plants once you have foraged them Bring greater health into your life and the life of your family And much, much more!
